HHSS student Barry Scully gets a firsthand demonstration of one of the pieces of emergency medical equipment on display Thursday at the High School. Haliburton Ambulance Service attendants Pat Kennedy, left, and Gerry Woods provided this practical demonstration during the Career Week Job Fair at the school. Students were given the opportunity to question individuals representing various trades and professions to assist them in making a career choice. Barry's friend, Eoin Ross, left, appears to be amused by his friend's situation.

Louise Watson is Stanhope's Citizen of the Year

Louise Watson has been named the Citizen of the Year in Stanhope Township.

The presentation of the annual award was made Saturday evening at the municipality's Christmas party.

Reeve Harry Davis made the presentation on behalf of the citizens of the municipality.

He told the audience, "Louise has been a good friend of all of us and done so much for Stanhope Township." The remark brought a standing ovation from the crowd at the community's Firefighters Hall.

Davis noted that Mrs. Watson had served as secretary of the Stanhope Airport Committee from 1967 to 1980 and continued to carry those responsibilities for the group on a temporary basis.

The Reeve also paid tribute to Mrs. Watson's efforts on an issue that reaches far beyond the borders of the township. "She has been a dedicated and hard working advocate for nuclear disarmament," he told the audience. Davis cited her appeal to members of County Council earlier this year, to have the county declared a nuclear weapons free zone, just as one of the many avenues she has taken in attempting to bring the nuclear arms issue to attention of the public.

This is the sixth year a citizen of the year award has been made in Stanhope Township. Previous recipients include Alex Stevenson, David McKinlay, Ann Barker, Jim Harrison and Art Hunt. The plaque presented to each nominee cites their "unselfish giving of time and effort in the spirit of good neighbourliness."

Mrs. Watson thanked the reeve and audience for the award. She added that she hoped she would be able to provide many more years of service to the community.

Sponsorship dispute unresolved

An attempt to resolve a difference of opinion between the Haliburton County Council's children's services representative, Lutterworth Deputy Reeve Glynne Lewis and the local Board of Education over sponsorship of the case co-ordination program in the county appears to have reached an impasse. Lewis and County Warden Lyle McKnight met with representatives of the case co-ordinating advisory committee and the board of education Thursday evening to iron out the differences.

The matter first surfaced at the November 21 meeting of Haliburton County Council when Lewis announced the resignation of the local case co-ordinator Michael Wood. Lewis said part of the blame for the man's resignation was an inflexible attitude on the part of the board of education.

The board had agreed to be the sponsoring body for the case co-ordinators, providing a recognized structure through which funds from the Ministry of

Community and Social Services, could be funnelled, to support the program. An advisory committee, made up of three members of the board of education, three members representing the agencies served by the co-ordinator and the director of education, was formed to oversee the program.

The position of case co-ordinator was created to provide a central source of information on the various programs and services available to children throughout the county. The case co-ordinator, after reviewing the problems of a particular child, would suggest agencies, organizations or individuals in the health and social service field in the county to assist. The service was funded by the Ministry of Community and Social Services.

(NOTE: In last week's edition of The Times, it was stated that the Haliburton County Board of Education had applied to the Ministry of Community and Social Services for funding to support this program. While the board of education did

agree to serve as an agency through which the provincial funds could be channelled, the board itself was not the body which sought the funding.)

While all parties to the dispute agree that the program is a valuable one to the county and that Michael Wood had been carrying out his responsibilities in an efficient manner, they disagree on who should be the sponsoring body and the exact reasons for Mr. Wood's resignation.

Glynne Lewis has proposed that the County of Haliburton assume responsibility for the program. He suggested Thursday evening that Mr. Wood was not happy with the salary and that he was being treated as just another employee of the Board of Education rather than an employee of a separate ministry.

Director of Education, Stuart Baker, who serves on the advisory committee, outlined the salary increases given to Mr. Wood since his employment began in March of 1983. He said that salary increases had

laid. Two drivers were charged with impaired driving.

Eight other drivers were asked to take the A.L.E.R.T test and four of those had their licences suspended for a 12 hour period.

As a result of the check one driver was charged with drinking while having liquor readily available, another was charged with driving while his licence was under suspension and seven charges were laid for not wearing seat belts.

The special anti-impaired driving patrol unit is made up of officers from various detachments in the Peterborough district. The unit travels to various locations throughout the district and operates a roadblock for several hours. While the immediate purpose of the program is to catch impaired drivers, the long

(more on page 2)

amounted to ten percent as of April 1984. He noted however, that Mr. Wood had proposed a regimen that would have seen his salary increase by 17% in the same time period.

Baker pointed out that the increases were being considered in years of restraint and fiscal control instituted by the province. He said the advisory committee felt the request was excessive and that they had a vested interest in administering the funds efficiently. In addition to the wages, the amount was not disclosed at the Thursday meeting, the position included a number of fringe benefits, funded in part by the ministry of Community and Social Services.

The letter of resignation, written by Mr. Wood, was also read at the meeting. It offered no indication of the reasons for his leaving other than to state, "I am no longer the person to co-ordinate this program."

Stuart Baker expressed concern that the adverse

Other Mindens

Minden, Nebraska, U.S.A.

by Hilde Lange

A visitor to Minden in July might be surprised if they happen to notice the arm patch of a local policeman. It is the picture of Christmas lights on the dome of the courthouse and has the words "The Christmas City" proudly displayed.

It was a story about Minden, The Christmas City, that prompted the visit by the delegation from our sister city of Minden, Germany this past summer.

It is a name given to Minden many years ago by the passengers passing through the town on the Burlington Northern Railroad. The vast display of colourful lights on the courthouse dome was clearly visible to the passengers as the train passed through town as well as from many miles distance. Some people wanted to let the local people know that the Christmas display was appreciated but did not know the name of the town. When letters were received addressed to "The Christmas City", Nebraska, the name became permanent.

The idea of a display of lights began in April, 1915 when City Light Commissioner J. H. Haws was asked to string lights around the square and north to the city auditorium where the State Encampment of the Grand Army of the Republic (Civil War veterans) was to be held. The three days of the encampment were accompanied by a continuous downpour. The lights, having been strung on a temporary basis, on bare wire, did not function well and were removed after the convention.

However, the lights provided Mr. Haws with an idea. The following December he hand-dipped about one hundred bulbs and placed them in four strings on the courthouse lawn. This display drew much favourable comment and in succeeding years new designs and lighting effects were worked out.

A perfect setting for the display is the one hundred ten foot dome on the Kearney County Courthouse that stands in the centre of the square. The original one hundred bulbs have grown to more than 12,000 bulbs.

For a number of years it was customary to have a short ceremony of a religious nature, including the singing of Christmas carols, before the lights were turned on for the first time each season.

In 1946 a Christmas pageant arranged by Rev. Arthur Johnson and Clayton Morey was presented. The Pageant, "The Light of the World", was climaxed by the turning on of the Christmas lights. The audience for this first pageant was estimated at between five and six thousand people. In a town with a population of approximately three thousand, this was a tremendous crowd.

The Pageant has been enlarged in succeeding years, with more than one hundred people taking part. It is designed so that it is carried out on three sides of the Courthouse simultaneously while the narrative and music are being given over the public address system. The Pageant tells the story of the birth of Christ.

By tradition, the Pageant is presented the first two Sundays in December, but the Christmas lights are on every night from the first pageant until New Years. There are bus groups coming from a wide area to see The Christmas City.

Those who have been a part of the pageant production for many years can relate many humorous and sometimes nearly catastrophic happenings.

There was the year that a Nebraska blizzard hit the night before the pageant, destroyed the scenery which had already been set in place on the courtroom lawn. A local contractor put his entire crew to work rebuilding the scenery so the pageant could go on as scheduled. The spectators viewed the pageant from the top of large piles of snow in the centre of the street but the people came to see "The Light of the World" in spite of snow or cold.

There was the year that one of the "angels" fell from a precarious position and broke her arm.

There have been countless bumps and bruises as participants have slipped on the marble courthouse steps in behind-the-scenes movements.

But in spite of all odds, the Minden Christmas Pageant is presented every December. Some cast members have been a part of the production from the beginning, while others are second and third generation members.

Christmas is a special time of year for all Christians here and in The Christmas City where there is a special Christmas gift for the entire area. We pause each December to remember that the true meaning of Christmas is vividly portrayed by the pageant "The Light of the World".

PC's select delegates, elect new executive

Close to 200 members of the provincial Progressive Association of Victoria-Haliburton gathered at the legion in Haliburton Friday evening for the organization's annual meeting. The gathering saw the election of a new executive and board of directors for the coming year, and the selection of delegates to represent this riding at the upcoming provincial leadership convention.

Lorne Chester, a lawyer from Lindsay, was elected president of the organization for the coming year. He had served as the second vice president last year and replaces outgoing president, Fred Murray.

Other members chosen for the executive included first vice-president Liz Webster, second vice-president Ross Radway, secretary Ruth Ann Mathews, treasurer Dave Bishop and chief financial officer and membership chairman Art Ward. All positions on the executive were filled by acclamation following the report of the nominating committee.

Members of the board of directors returning for another term included Stella McLeish, Doug Fish, Bud Stephens, Joe Iles, John Martin, Bob Nicholl, Larry McKnight and Roy Windover. New members on the board include Ted Saxby, Ronald Jenkins, Chris Karkabasis, Margot Fawcett and Don Ingram.

A vote of the general membership agreed that long-time member of the association and PC supporter Monty Robson of Bobcaygeon be accepted as a director emeritus on the

board.

The new president Lorne Chester, told the group that they must prepare for a 1985 provincial election. He said poll organizations must be formed now to ensure the party is ready to proceed when the vote is called. Chester also said that a committee will be formed to ensure that the selection of a local candidate can proceed, "in an efficient and fair manner," immediately following the selection of the new provincial leader. A nomination convention had been planned for earlier this fall, but it was postponed after Premier William Davis announced his retirement.

While the election of officers was one of the main purposes of the annual meeting, there appeared to be greater interest in the selection of delegates for the leader-hip convention in January. This was reflected in the numbers nominated as potential delegates. Twelve male members of the association and eight female members were nominated for the seven available delegate positions.

The election was held in two parts, with the membership voting for three

male delegates (one position automatically went to the association's new president)

and four female delegates. The four nominees who received the most votes after the delegates were chosen, would be allowed to attend the convention as alternates. The alternates would not have a vote in the selection of the new leader unless a

Windfall for Cat Scan fund

Representatives of the Peterborough and District Cat Scan fund raising drive were in Haliburton Monday evening to explain how the machine is used, why it is needed and who it will serve. An audience of close to 75 was on hand to listen to the presentation and find out more about the machine.

Campaign chairman Vic Power told the crowd that the drive has raised \$850,000 of the \$1,250,000 needed to purchase and install the machine. Before he left Haliburton County, an additional \$14,200 had been added to the efforts of the organization.

The following donations were presented: Royal Canadian Legion, Branch 129, \$3000; Branch 129 Ladies Auxiliary \$700; Haliburton Senior Citizens Club \$500; Rotary Club of Haliburton \$5000; UCW of Haliburton United Church \$500; Eagle Lake Ladies Society \$500; Haliburton Hospital Ladies Auxiliary \$500; Rotary Club of Minden \$2000; and the Loyal Orange Lodge of Haliburton \$1500.

Cat Scan fund raising chairman Vic Power, left, proudly displays \$14,200 worth of cheques received Monday evening at the Haliburton Legion. Sharing in his elation over the donations are Haliburton County Cat Scan fund raising organizers Mabel Brannigan and Jack MacDonald.

Case Co-ordinator

(from page one)

publicity given to the resignation, through Lewis' remarks at the county council meeting, would jeopardize the ability of the advisory committee to attract volunteers. He said that the Lutterworth deputy reeve also made his concerns public in the wrong forum, the county council meeting. Baker suggested that he should have brought them to the advisory committee first. He added that if the advisory committee were to cease to function it would be doubtful the case co-ordination program could continue.

Lewis responded by saying that there was no advisory committee meeting between when he heard of the resignation and when the county council met. "I was informed on Monday and the council met on Wednesday," he stated. Noting that in Peterborough the city administration is responsible for the case co-ordinating program, Lewis reiterated his desire to see it come under the sponsorship of the county council.

A member of the committee questioned the logic of such a move noting that the board of education deals exclusively with children's needs while the

county's interests are more varied.

With that the meeting came to a close. Lewis apparently will continue to attempt to have the sponsorship changed, while the board will continue in that capacity.

Advertisements, seeking a replacement of Mr. Wood, whose resignation takes effect at the end of the year, have already been placed in area and national newspapers.

Getting the message

Ever so slowly Canadian society is changing its attitude toward drinking drivers. For far too long the community has treated the practice either by viewing it only as a minor infraction or totally ignoring the problem altogether.

Slowly the nation is beginning to realize that a drunk behind the wheel is not someone to be coddled, laughed off or excused. For not only does an impaired driver pose a threat to himself and those foolish enough to ride with him, but he imperils the lives of those innocent individuals with whom he shares the road.

The provincial government has recently stepped up its efforts to bring this message home to our collective conscience. A film, in which victims of impaired drivers, parents who have lost children, individuals who must spend the rest of their lives in wheel chairs or bed because of the injuries sustained in such accidents, is now being distributed. It provides graphic and heart rending evidence of the consequences which can result when a drunk, or even someone only "slightly impaired" takes to the road.

We applaud the efforts of the authorities in this regard, including the introduction of random spot checks. Such a program is now in force in this area.

We hope that the efforts of the police to catch impaired drivers is a total failure. Instead, we hope that the message gets through to those who may drink and drive to forego one or the other for their own benefit and for others with whom they share the road.

First snow

Hydro criticized by PC's

-by John Eakins, MPP-

Last week, David Peterson rose in the Ontario Legislature to extend congratulations to three Conservative leadership candidates who had joined the Opposition's crusade to make Ontario Hydro more accountable to the taxpayers of this province.

He took the Minister of Energy to task about the giant corporation, stating that "Three of the contenders for the throne have now become Hydro-bashers, very critical of the way that Ontario Hydro is being run at the moment. These gentlemen out travelling the province, listening with their ears close to the ground, are now very much aware that the public feeling is that there are tremendous problems at Ontario Hydro - that Ontario Hydro is out of control."

In recent weeks, Treasurer Larry Grossman, Attorney-General Roy McMurtry and Agriculture and Food Minister Dennis Timbrell have responded to questions by saying that they would support a review of Ontario Hydro. On the other hand, leadership contender Industry and Trade Minister Frank Miller has indicated that he does not believe the utility is out of control. (One of his supporters for the leadership is the current Minister of Energy).

Ever since the end of minority government in Ontario, the Conservatives have resisted all Opposition attempts to have tougher controls imposed on the Corporation, and have argued that existing review agencies were adequate.

Citing the views of the three leadership hopefuls, David Peterson asked the Minister of Energy "Is the

Minister not persuaded now...that indeed we do have to look at new ways to bring Ontario Hydro into some form of accountability?"

"He has been berated by the Opposition for a long time. Now his own colleagues are critical of the same things we have been critical of."

The Minister has indicated that he will be guided by what he is told by his Cabinet colleagues in Cabinet meetings, rather than what is said on the hustings. He has also stated: "My mind has never been closed to the idea of a review, but I don't go for the proposition that Hydro is out of control."

Recently Opposition Members raised the fact that the leadership contenders had very different views on subjects which could be publicly discussed during the leadership race. These expressed differences were the subject of much criticism in the House, and the government was accused of creating confusion and secretiveness.

Mail order lottery sales

The Minister of Tourism and Recreation has acknowledged that a Mississauga mail-order business is breaking U.S. postal laws by offering Ontario lottery tickets to residents of the United States, but maintains that there is nothing the province can do about this. He has told the Legislature that the Ontario Lottery Corporation has investigated mail-order lottery ticket firms, but can find no way to put a stop to their operations.

According to a brochure from the Financial Free-

dom Group, U.S. residents are invited to buy Lotto 6/49 tickets and are told they have a "big shot at megabucks" in a tax-free jackpot. The tickets are not mailed to the buyers. Only money which is won is mailed to the winners. While lottery winnings are not taxed in Canada, they are taxed in the U.S.

The manager of Financial Freedom Group has stated that the company has

operated for more than three years and has heard no complaints from either Canadian or U.S. authorities.

Expressing the belief that the mail order business breaks U.S. law, the Minister stated "The Ontario Lottery Corporation does not condone this kind of activity or sales in the U.S. It does a fine business right in this province."

Grant will help tourism promotion

- by Bill Scott, MP -

A new \$44 million federal - provincial agreement to stimulate tourism in Ontario was signed November 30 by the Honourable Tom McMillan, Federal Minister of State (Tourism), and the Honourable Reuben Baetz, Ontario Minister of Tourism and Recreation.

The Tourism sub-agreement is being introduced under the Canada-Ontario Economic and Regional Development Agreement (ERDA), which provides a framework for regional economic development. Each government will contribute \$22 million under the five-year Canada-Ontario Subsidiary Agreement for Tourism Development.

The new program for the tourism industry is designed to stimulate private sector investment in major year-round tourism facilities and attractions. Eligible capital projects will have a value exceeding \$1 million and the capability of attracting

foreign and domestic visitors.

Assistance will be available for planning and feasibility studies, capital construction and improvements, related marketing and visitor services.

The purpose of the tourism program is to generate significant income and employment opportunities for Ontario as well as to contribute to the regional development goals of the federal and provincial governments.

Mr. McMillan said, "The aim of the new program is to boost tourism in Ontario by developing world-class facilities. Ontario now receives about half of all foreign tourist dollars spent in Canada. Through joint assistance, both governments hope to make Ontario more attractive to foreign visitors as well as to Canadians."

"For 1983 tourism

Tourism is an idea whose time has come everywhere in the world. In Canada, thousands of community leaders and business people are taking advantage of tourism's vast potential to transform the growth, development and civic spirit of their communities.

Having talked to tourism experts, business people and community leaders, we are convinced that Canada can double its tourism revenue in a very short time. That would mean by conservative estimates, several hundred thousand new jobs and billions of dollars distributed throughout local economies.

Bill Pattison, President of Delta Hotels and Chairman of the Tourism Advisory Council says "When Canadians realize how important tourism really is - we'll see economic miracles from one end of Canada to the other."

This economic breakthrough won't happen automatically - there is too much competition. We have to plan and work for it, capitalizing on our strengths.

And it won't happen by the federal government spending money for promotion - although that is crucial. The support of the federal and provincial government is a key factor but not the most important.

The catalyst for a tourism boom in Canada will be the planning and action that can take place in hundreds of communities.

There is no economic force quite so strong, so beneficial, and so long lasting as a community mobilizes all its natural, created and human resources to develop a unique, satisfying and affordable tourist experience for thousands of visitors.

The tourism market is highly competitive - and Canada won't win its share without co-operative effort among government, private sector groups and individuals.

The federal government is doing its part to sell Canada to the world, and to turn Canadians on to the excitement of their own country. Tourism Canada has undertaken dozens of major activities during the past twelve months to promote Canada as a surprising, sophisticated, entertaining and satisfying tourist

destination for travellers from all countries.

This message was aimed at the Americans, the Europeans, selected Latin American countries and at people in the 'Pacific rim' area of Australia, Japan, Hong Kong, Southeast Asia and Korea.

The federal government spends millions of dollars to promote tourism. So do the hundreds of private enterprises that make up the tourism industry. But all the promotional money in the world won't amount to anything if tourists are not satisfied with their Canadian travel experience. We can woo the tourists, but it's up to the community to win the loyalty of the visitor.

Dozens of Canadian communities just like ours are winning at the tourism game. In each case success started when community leaders adopted a positive attitude toward planning, development and marketing.

"I'm very excited about Canada's prospects of success in the world market", says Mr. Pattison. He bases his enthusiasm on the skill, imagination and co-operation that is already at work throughout the country. It's only a matter of time before hundreds of communities focus on the opportunity that tourism offers. When that happens, we'll see new economic growth from one end of Canada to the other.

Coming events

December 5 to January 12 - The Agnes Jamieson Gallery in Minden will be hosting the Haliburton Highlands Rug Hookers, who will be displaying their talents in creating wall hangings, rugs, pillows and other decorating and apparel accessories. Some of the items will be for sale.

December 5 to 12 - The Agnes Jamieson Gallery in Minden will be presenting a Juried Pottery & Ceramics Show. This juried show is their continuing contribution to Minden's 125th birthday celebration and the provincial bicentennial in conjunction with the Townships of Anson, Hindon and Minden.

December 8 - There will be a Midget Hockey Tournament at the Dysart Arena in Haliburton Village. Call Len Salvatori 457-2765.

KEEPING HER IN LINE

It's something you may have overheard but will seldom hear discussed. Yet it's a brutal reality. For every year, one woman in ten is abused by her husband. Put down verbally. And beaten up physically—to the point of unconsciousness, hospitalization or death. In fact, wife assault is involved in

one fifth of all Canada's homicides.

Clearly, physical abuse of any kind is against the law. Violence against wives is especially repugnant. The children in these homes may grow up conditioned to accept abuse, or renew the cycle by abusing others.

WIFE BATTERING: IT'S TIME TO BREAK THE SILENCE.

Women's Directorate
Ontario
Robert Welch, Minister
William Davis, Premier

Minden Curling Club representative Dwight Thomas, centre, congratulates team skip Charlie Muli after his foursome won the first annual Merchant's Bonspiel held Sunday at the Minden Curling Club. Members of the winning rink, include, Ethel Muli, left, and Diane and Dave Dollo.

Merchants enjoy Sunday 'spiel

Merchants from the Minden area and their staff participated in a bonspiel Sunday at the Minden Curling Club. The event sponsored by the local club, was billed as a "fun event" and proved to be just that as first time curlers took to the ice along with regular participants.

Sixteen rinks were involved in the two draw

bonspiel which concluded with a supper and the awarding of prizes supplied by the participants.

The winning team, representing Frontier Motors, includes Charles and Ethel Muli and David and Diane Dollo. They edged out the second place finishers, Caballero Carpets.

The entries from the

Rockcliffe Tavern and Big Jer's tied for third place. In fifth spot was the Toronto-Dominion Bank. Vasey Real Estate and Minden Drug Store tied for sixth spot.

Holding down eighth place in the middle of the pack was the entry from Minden Red and White. The K & W Restaurant and Minden House tied for ninth

place. Case Real Estate placed eleventh followed by Scott Plumbing, Franzen Masonry, Stedmans, The Times and Bill Roodenburg Real Estate.

Organizers hope to make the event an annual affair and, judging by the comments after curling was over, it should prove to be one that will be popular.

Juveniles win two road games

The Minden Juveniles captured two wins to out of town opponents during the past weekend.

On Saturday, December 2, the team travelled to Bracebridge where they defeated their hosts 8-5.

Barry Boice led the attack for Minden, notching four goals. Other Minden goals were scored by Scot Hamilton, Jeff Howe, Chris Laporte and Jeff Stamp.

The Juveniles came from behind in the second period after Bracebridge took a

three goal lead in the opening stanza.

Minden scored four goals in the second period and three in the third before Bracebridge responded. With less than two minutes in the game, Bracebridge added two more goals with a single coming from Minden before the final buzzer sounded.

Sunday, the team

travelled to Fenelon Falls where they edged their hosts to a 5-4 margin.

Chris Laporte was the top scorer for Minden netting a hat trick, including the winning goal. Other Minden markers went to Barry Boice and Jeff Howe.

Fenelon Falls opened the scoring with the only goal in the first period and Minden didn't get on the board until

the 6 minute mark in the second frame.

Both teams got another pair of goals before the period ended.

Minden took the lead in the third period at the 6:29 mark but Fenelon Falls tied the game and less than a minute and a half later, Chris Laporte crowned his hat trick at the 15:59 mark with the winning goal.

letters

Editor:

My wife and I wish to extend our sincere thanks and gratitude to Mrs. L. Northey and the merchants of the town of Minden.

The year 1984 is the 50th anniversary year of our wedding and it was with much pleasure and surprise that we were the recipients of a beautiful Bible, courtesy of the merchants of the town of Minden. Mrs. Northey was the contact person who made all the arrangements for this lovely gift.

This unique and thoughtful gesture, by our merchants, is considered to be a very pleasant, rewarding and reverent act of kindness.

Lucy and Jack Ashby,
Willowdale.

HALIBURTON COUNTY BOARD OF EDUCATION

TENDERS

Plumbing, Heating, Electrical, Air Conditioning and Carpentry

Sealed tenders, clearly marked as to contents, are invited for repairs, (as required) to plumbing, heating, electrical, air conditioning, and carpentry in the Board's schools for the year 1985 and will be accepted by the undersigned until Thursday, December 20, 1984.

Tender forms outlining instructions and conditions are available at the Board Office in Haliburton.

The lowest or any tender may not necessarily be accepted.

Mr. Stanley W. J. Baker,
Business Administrator,
Haliburton County Board of Education,
P.O. Box 507, Haliburton, Ont. K0M 1S0

HALIBURTON COUNTY BOARD OF EDUCATION

TENDER

The Haliburton County Board of Education is interested in purchasing a used 4 wheel drive pick-up truck in good mechanical condition equipped with a four way snow plough.

Sealed Tenders clearly marked as to contents will be received by the undersigned at the Board Office, Haliburton until 4:00 p.m. Thursday, December 13, 1984 for the above type of vehicle. Tender must include the following:

- year, make, model and asking price.

The owner will be required to provide the Board with a vehicle inspection certificate if a tender is accepted.

The lowest or any tender may not necessarily be accepted.

Mr. Stanley W. J. Baker,
Business Administrator,
Haliburton County Board of Education,
P.O. Box 507, Haliburton, Ont. K0M 1S0

PC's choose delegates

(from page 2)

voting delegate was unable to attend.

Chosen as voting delegates were: Art Ward, Fred Reynolds, Joe Iles, Ruth Anne Matthews, Jane Johnston, Liz Webster and Shirley Hodgson. The eight alternate delegates include Carl Hickson, Larry McKnight, Mac Gadway, Sinc Nesbitt, Nancy Stinson, Brenda O'Keefe, Margot Fawcett and Marlene Shortreed.

The last provincial PC candidate Dave Murray, will also be included in the delegate list, as will two members of the Young Progressive Conservative Association, Brenda Reed and Brent Devolin. The two alternates from the young PCs include Laurie McKnight and Steve

Dawson.

While there was a definite preference for the candidacy of Muskoka MPP Frank Miller for the premiership, all those elected to voting delegate positions indicated they were uncommitted to any one candidate at this time.

The preference for the MPP from Muskoka was evident in an informal poll taken while the delegate votes were being counted. Of the 105 votes cast, Frank Miller received the endorsement of 70 of the PC members. In second place was Dennis Timbrell with just 16 votes followed by Larry Grossman with ten and Roy McMurtry with nine.

The guest speaker for the evening was Bud Gregory, the provincial Minister of Revenue. He told the

gathering that the delegates they chose for the leadership convention would be faced with an important responsibility. "Not only will you be choosing the next leader of our party, but you will also be selecting the next premier of the province."

Gregory said as a Cabinet minister he was familiar with all four candidates for the leadership. "I would be comfortable working with any of them," he commented. "They are all intelligent, hard working individuals." However, the minister indicated his personal preference was for Muskoka MPP Frank Miller. He said the views expressed by Miller, "less government, not more; a strong supporter of small business; maintaining the social safety net" were ones that appealed to him.

Bill Scott

(from page 4)

expenditures in Ontario are estimated to be \$6.67 billion or 4.6 percent of the gross provincial product," said Mr. Baetz. "Tourism is a vital industry in the province. The sub-agreement will be a major step in undertaking the investments needed to keep pace with the changing travel market."

Application forms for assistance under the sub-agreement will be available in early January.

The best little warehouse in Haliburton!!

Hartwick Construction goalie Terry Crowe leaps forward to smother the puck during a Men's Recreational Hockey League game Monday. Members of the Times team, in dark jerseys, missed a number of opportunities to score on the nimble netminder and went down to a 7-4 loss.

Goalies busy in Rec. League

High scores continued to dominate the six team Minden Men's Recreational Hockey League during the past week. Three games were played in league action. The Hartwick team was the only squad to play two games and they lost one and won one.

The Hartwick loss came at the hands of the Rockcliffe Foamblowers Thursday evening. They were defeated 8 - 3.

Sid McKeegan, Dave Hartwick and Ted Vasey led the way for the Rockcliffe entry, scoring a pair of goals each. Hartwick also assisted in three other goals while Vasey and McKeegan added single assists. The other two goals came from Andy Campbell and Jim McKelvey, who also assisted on two others. Charlie Berube notched three assists for Rockcliffe while Dave Lee was credited with a single assist.

Kevin Hamilton scored two goals in the losing effort for Hartwick. The other tally came from Jeff Campbell. Assists on the Hartwick team went to Murray Clarke with a pair and singles to Rick Haulk and Rick Hartwick.

The Foamblowers dominated the play from the first period, jumping to a 5 - 0 lead by the end of the first 20 minutes. Hartwick managed two goals in the second period, but they were matched by the Rockcliffe team. Both teams added a single goal in the final frame for a score of 8 - 3.

Monday night

Hartwick was back on the ice for the first game Monday evening. They turned the tables this time, defeating The Times by a 7 - 4 margin.

Hartwick picked up two

goals in the first period. Hartwick scored four more in the second stanza while The Times managed two markers. Two more goals in the third period were not enough to put The Times within striking distance of Hartwick, who also notched another goal in the final frame.

Rick Hartwick led the Hartwick team's attack Monday evening with five goals. Other markers came from Lee Bull and Kevin Hamilton, whose goal was unassisted. Leigh Bull picked up four assists with singles going to Kevin Hamilton, Murray Clarke and Jeff Campbell.

Harris Steele was the top goal getter for The Times with a pair of goals and an assist. Singles went to Ken Casey, who also notched an assist, and Brian Shaw. Other assists were credited to Dan Reed and Steve Crowe, each with a pair.

A 10 - 6 margin separated the victorious Hall's Insurance when the final buzzer sounded in their game against Home Hardware

Monday evening. B. Walker led the attack for Hall's with three goals, and an assist, and Dave Dollo scored two more for Hall's. Other goals came from J. Giles with a single and an assist, R. Anderson and P. Walker each with singles. Assists were also provided by M. Jackson with a pair and B. Vanasse with a single.

Tim Keith scored two unassisted goals for Home Hardware. Doug Rae also notched a pair. Other goals were scored by Corey Walker and Dean Hewitt, unassisted. Hewitt also assisted on another goal. Carl Northey added two assists to the Home effort.

The teams were evenly matched through the first period with Home Hardware scoring four goals to Hall's three. Hall's came on strong in the third period, scoring five goals while holding Home to a scoreless period. Two more goals for each team in the final period secured the win for Hall's.

Coming up in the league: Thursday evening Vasey's plays Rockcliffe at 9 p.m.

Monday night. The first game sees The Times against Rockcliffe, while the second contest pits Hartwick against Hall's.

There is no admission charge to the games.

Cardiff grant

Municipal Affairs and Housing Minister Claude Bennett today announced that the Township of Cardiff will receive a provincial grant of \$10,000 under the Municipal Action '85 program.

Bennett said the funds will be used to install a financial information system together with word processing.

He said the system will result in improved financial control and cash flow and provide more comprehensive and timely reports.

Municipal Action '85 is a major three-year ministry program supporting municipal initiatives that develop management systems, administrative tools and staff skills.

Hometown Christmas

YOUR HOMETOWN

a great place...to live, to grow, to shop.

With the Christmas season just around the corner, you are no doubt preparing your shopping list. This year, visit local shops and stores first. Local businesses are an important part of your community. They provide services year 'round, are there when you need them and have a wide selection of merchandise. Moreover, local businesses provide employment opportunities, contribute to the welfare of the community and take an active interest in the growth and future of your hometown.

Police seek help

The Ontario Provincial Police are seeking the assistance of residents in the Stanhope area for information concerning a number of recent crimes.

During the past weekend the following incidents occurred:

- The rear doors of the Maple Lake United Church were forced open. The screen was ripped, a door damaged and two chairs broken in the incident. According to the police, access to the church proper was not gained.
- A number of mail boxes on Norley Road near Highway

way 118 were knocked over by a vehicle which apparently went out of control on a curve. As well several mail boxes were hit on Highway 118 near St. Peter's Road.

- Two snowmobiles, left in the bush off the Shangri-La Road were stolen sometime during the past four weeks. The machines are Moto-ski brand snowmobiles.

Anyone who may have made note of a suspicious vehicle or persons in the vicinity of these incidents is asked to contact the Minden detachment of the Ontario Provincial Police.

Council briefs

Items from the regular meeting of Anson, Hindon and Minden Council held Thursday November 22.

Deputy Reeve Ed Pergolas told council that he had received several complaints that there are not enough street lights on Parkside Drive, the road leading to the arena.

Pergolas noted that many students from Archie Stouffer School walk along Parkside Drive after dark on their way to figure skating classes and that concerns have been expressed for their safety.

He suggested that the installation of two light standards would provide adequate illumination and

asked that the matter be investigated by the municipality.

Fees could increase

Council is considering amending tariffs charged under various bylaws.

A preliminary discussion was held to determine increases in the fees charged by the municipality.

Council will give consideration to changes in the fees for dog tags, building permits, hawkers and vendors permits, transient trader permits, mobile canteen permits, campground licences and permits to move buildings.

The changes in the tariffs will be discussed at the next council meeting on December 13.

Congratulations Wendy!!
You've got your wings!!
Well done

Question?

What is the last thing you're going to do this year - and the first thing next year?

Minden Rotary has a good suggestion!

outdoors

Federation of Ontario Naturalists

No one hears fast enough to catch the speed of a bird song.

Indeed, until modern electronic equipment came into use, few persons suspected the complexity of what a robin may be saying while he sings from a bough in the yard. A few decades ago, investigators determined from a bird's actions that he was emitting more than harmonic melodies. That, in fact, he was warning other male birds that he had seized the lands and bushes that surrounded him and would admit no trespassers. More recent investigation made possible by recording instruments indicate that the robin says much more than that.

Further, from playing back songs, investigators have found some indications that other birds of the same species get the message clearly. If this is true, it means that birds can hear much faster than we can.

Such a statement needs clarification. We normally think of hearing as a passive, receptive process. A type of thing in which speed hardly could be a factor. We do have, however, certain rather commonplace things that give an indication of the

speed with which the human ear can break down a string of sounds into meaningful signals. For instance, the careless operator of a record player occasionally starts a 33-rpm record at 45-rpm speed, only to discover that a song as slow as "Ave Maria" sounds like an explosive, scolding Donald Duck. While the same string of sounds comes from the speaker, the human ear interprets it quite differently.

If the sonograms, which are black line graphs transcribed by electronic equipment into a form in which sound can be "seen", have any meaning, a robin probably could hear fast enough to break that Donald Duck squawk into a slow, draggy rendition of Ave Maria.

Robin songs which sound alike to the human ear show enough variation on electronic inspection to indicate that the singing robin not only says that he is a robin - which we understand quite clearly - but also throws personal information about himself that establishes him as an identifiable individual.

November weather

by Phil Graham

	C	F
Average high	5.	41.)
Average low	-3.3	26.
Average for month	.9	33.6
Average for last November	1.2	34.1
Highest temperature (November 1)	17.	62.6
Lowest temperature (November 19)	-15.	5.
Rainfall	94.5 mm	3.7 in.
Snowfall	3 cm	1.1 in.
Total precipitation	97.5 mm	3.8 in.
Days clear or mostly so	8	
Days with rain or snow	12	
Days with freezing rain	1	
Snow on ground November 30	0	

November was a fairly liveable month, none of the usual November storms and very little snow. Some heavy rain during the first ten days of the month brought the rainfall to about average, snowfall was much below average. Last November we had a total of 31 cm (12 inches) with 4 cm on the ground November 30. This year we experienced only 3 cm (1.1 in.) for the whole month.

The latter half of the month was quite pleasant with a number of sunny, mild days, especially around November 25.

C.H.A.C.E. news

by Marilou Mizzan

C.H.A.C.E. would like to send out a special thank you to everyone who made our first annual Christmas Craft Sale a delightful and successful day. Your generous donations of baking and crafts were greatly appreciated by C.H.A.C.E. and the crowds of Christmas shoppers who were able to find just the right gift for that special person on their Christmas list.

As you may have already heard, Faye Maddock is resigning from her position as administrator, after two years of dedication and hard work. C.H.A.C.E. extends an invitation to everyone, to join us in a farewell thank you party for Faye on Wednesday, December 12 from 7 - 9 p.m. at C.H.A.C.E. Place.

December is generally a busy month for most people and it is also a busy time at C.H.A.C.E. Activities this month reflect the spirit of the Christmas season. The agenda for Wednesday mornings will include singing our favourite Christmas carols and reading Christmas stories from around the world. Decorations for C.H.A.C.E. Place

will be made by the children during the next few weeks, in preparation for our visit from Santa. Santa will be joining us for our Christmas Party on Thursday, December 13. Plan to join us for the festivities that day.

With the excitement of Christmas all around us, this time of year can also be a stressful occasion for some, including kids. Make Christmas a relaxed and happy time for your children by being relaxed and happy yourself. Avoid last minute shopping and chores. Get the kids involved in Christmas preparations by having them help you with decorating, gift making and baking. Kids, like adults are filled with excitement during the holiday season and outbursts of emotion can occur. Children need extra love and attention during the busy Christmas holidays. Have a merry and relaxing Christmas.

Drop into C.H.A.C.E. Monday to Friday 10 a.m. - 4 p.m. and Saturday 10 a.m. - 2 p.m. for lots of fun and laughter. C.H.A.C.E. will be closed for the holiday season from December 22 to January 2.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey those parts of the original allowance for road and those parts designated as allowance for road set out and described as follows:

FIRSTLY: ALL that part of Lot 3 Concession V, in the Township of Stanhope, in the County of Haliburton, designated as allowance for road on Plan and Field Notes of Summer Resort Location J.B. 125 and further designated as Part 1 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R 3173.

SECONDLY: ALL that part of Lot 3 Concession V in the Township of Stanhope, in the County of Haliburton, designated as allowance for road on Plan and Field Notes of Summer Resort Location J.B. 126 and further designated as Part 2 on a Plan of Survey deposited in the Registry office for the Registry Division of Haliburton as Plan 19R 3173.

THIRDLY: ALL that part of the original allowance for road along the shore of Kushog Lake in front of Broken Lot 3, Concession V, in the Township of Stanhope, in the County of Haliburton, designated as Part 3 on a Plan of survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R 3173.

A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

The proposed By-Law will come before the said council for consideration at a meeting to be held at the Municipal Office in the Township of Stanhope on the 9th day of January, 1985 at the hour of 11:00 a.m., and at that time, the Council will hear in person or by his counsel, solicitor, or agent, any person who claims that his land will be prejudicially affected and who applied to be heard.

DATED: November 28, 1984

Gerald C. Bain, A.M.C.T.,
Clerk of the Corporation of the
Township of Stanhope,
R.R. 1, Haliburton, Ontario K0M 1S0

Call 286-1288 — 9 a.m. - 4 p.m

Weekend guests with Mrs. Ern Hewitt included Fred Hewitt, Deborah and Paul and Valerie Hastings, all of Scarborough.

Don't forget these people at Hyland Crest on their birthdays - Lily Hogg December 24, Arthur Young and Gordon Carr December 19 and belated good wishes to Winnifred Johnson her special day, December 2.

Once again there will be free movies for children at the library/cultural centre on Friday, December 7 from 7:15 to 8:15 p.m.

This Friday, December 7, is the only afternoon for the St. Paul's Thrift Shop which will open after 1:30 p.m. The shop will reopen January 18. Best wishes from all the group at the Thrift Shop to everyone.

Congratulations to Linda Nareilli and Steve Morrin (Tree) who are to be married December 7 in North Bay City Hall.

Mr. and Mrs. Ted Johnston of Scarborough visited with her mother, Mrs. Arnold Wright in Staunworth Court this past weekend.

The draw for a log cabin quilt held at St. Paul's Anglican Church November 24 was won by Marilyn Skelding. The winner of the Christmas cake was Ruby Francis.

Winners at St. Paul's Card Party last Thursday afternoon were - lone hands Joyce Hewitt, Claire Brooks and Verna McDonald (tied) and Freda Harrison, Sid Rowe and Bob Mitchell.

The monthly bingo held by Minden Rotary at the Community Centre had several new ideas. Vera Ward won the honour of wearing the "Nevada Hat" - Emma Hewitt won the door prize when she finally found her card. Winner of the Full Card in the last game was Wyona Spicer and Roy Sawyer Freda Stacey and Jeanne Sears scored on the Nevada tickets for \$100

each! Next Minden Rotary bingo is December 18.

The town was very busy last Tuesday on the Special Shopping Day with discounts on goods or in-store sales. The selection seems very good and prices reasonable in the local stores.

Winners in Club 35 card party Monday were:- most lone hands - Harvey Bunker, high man - Lodi Mestroni and high lady was Ruth Cummings. Walter Ackersblade accepted the door

prize while other winners for the evening were Eleanor Bunker, Wally Harper and Mary Schadt.

Anone interested in attaining their amateur

radio licence can call 286-2024, 286-1660 or 286-2663 as classes will begin in January.

Best wishes for a speedy recovery to Bill Beers who is at present a patient in Ross Memorial Hospital in Lindsay.

His Eye is On The Sparrow

There is a crispness in the air
And scattered leaves lie everywhere.
The nights are long
And the daylight gleam is gone
Much, oh much too soon.
The snowflakes have begun to fall
And soon its magic will cover all.
The geese have flown to warmer climes
The bears are settled in favourite dens
With sated appetites
Until the warmth of the sun of Spring
Again begins to shine.
Children with noses pressed against the glass
Of stores full of goodies and toys
Thinking of Santa coming to call
On good little girls and boys
It is a time for rejoicing
But adults watch the TV news with insecurity
Thinking of problems with fear and trepidation
Of what seems yet to be.
But we must go on
Believing
And plan our Christmas festivities
Thanking God for the bounty
That he gives us from land and sea
Remembering
His eye is on the sparrow
As it is on you and me.

Yvonne

senior league

by Bert Harrison

Dear readers, another week has went again since we penned a line to you. To tell you what has been happening here, we'll tell what we do. Quite a lot of activity around here about. Relatives coming in to call. Others going out.

In the chapel service Sunday night, quite a number there. Harold Thompson read the lesson, from 6th chapter of John, also lead with prayer. Then Rev. Burgess spoke, "I am the bread of life. He that believeth in me shall have everlasting life."

We are sorry to report that nurse Quinn had the misfortune to sprain her ankle, which is a painful thing.

Edna Cowen spent the weekend with her daughter, Marie Baker. Just came back Sunday. Lillie Hogg had company while her roommate was away. Edith Welch celebrated her birthday last Wednesday, with a bang. It seemed almost like a happy gang.

It looks like Georgina Leigh Lerrex came to Hyland Crest. Stayed and had a birthday dinner with Edith and were her special guests. The Sunday before, Edith's son Ron and wife Pat, came with his mother to dine, also with Aunt Caroline. Then, by the way, Gerald's wife Jean came from Coburg came to dine with Edith on Tuesday for this occasion we would like

to say we would like to celebrate.

Last Saturday afternoon our son Nelson and wife Marme from London, Ontario came to spend a couple of hours with me, then took off again.

Monday morning down at fun and fitness where everyone played that could, knocking down the most bowling pins was won by Millie Wood.

As you readers know I have a sore toe and a lame arm, though I had lost weight all around, but wasted three pounds.

The movies Doris showed us Monday night were real interesting and clear. A Special Place, People of Venus and Canada's Reindeer.

We had our last auxiliary meeting Monday night with a goodly number there. A word tribute to Aileen Blears our retired president, who did a job to cheer. We would also like to thank our vice president, secretary treasurer and all who work so faithfully through the year. I feel we had a good year and accomplished a great deal. I'd like to say Merry Christmas to each member here and may God bless you all as we go our different ways.

Paster Wood and wife Joyce of Allsaw Pentecostal Church came over to our chapel this lovely Tuesday. Joyce to lead us in lovely Christmas carols. Fine

music she does play. Pastor Wood brought us a real interesting message. We thank them both for coming this lovely November day.

Tuesday night Fred Ballard came. Fine organ music he does play. Gordon Ruttle and I helped him by the way.

Wednesday morning down at fun and fitness playing bucket ball. Lola Prentice won out over all.

Thursday afternoon the ladies of Minden Gospel church brought in a delicious lunch, which was just fine. Also two gentlemen came along Herald Thompson and Rev. Burgess. Rev. John as the blessing on the food before we sat down to dine. We also had birthdays in November with a lovely birthday cake made by Marilyn White, real tasty and so light. Then Ruth Thompson played the

music for a real sing-a-long with good old hymns like

Amazing Grace. Then Marjorie Johnson closed with prayer. Thanking the Lord for all good things from above. We would like to thank Eldon Deacon and wife Mabel and Dave Ripley for calling the bingo numbers Thursday night. Some of the bingo players said they had luck, and some of them did alright.

Our Friendship Ministry group came to us this November day to witness to us once more. They are so sincere and our own Heather Bowron sings so lovely with her voice so sweet and clear. We're glad they came back to us wo or three times a year.

Adolescence is when children start to bring up their parents.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What kind of bushes do rabbits sit under when it's raining?

A: Wet bushes.

Knock, Knock.
Who's there?
Ben Hur.
Ben Hur who?
Ben Hur waiting for ten minutes.

Knock, Knock.
Who's there?
Butter.
Butter who?
Butter be home early.

Q: When is an apple not an apple?

A: When it is a crab.

Q: What's wrong with overeating?

A: It makes you thick to your stomach.

Farm conference in January

Plans have now been finalized for the 1985 East Central Farm Conference to be held the week of January 14 - 19.

Several major changes have been made in the Conference Program format this year. There will be six day-time sessions from Monday to Saturday inclusive, plus four evening sessions on Monday to Thursday evenings.

The day-time sessions will include the Management For Profit Seminar on Monday, January 14, Soil & Crop Management Session on Tuesday the 15th, a Farm & Home Management Session on Wednesday the 16th, Dairy Producer's Session on Thursday the 17th, Pork Producer's Session on Friday the 18th, and the Beef Producer's Session on Saturday the 19th. The evening sessions will include one for Rabbit Producers on Monday evening, for Small Poultry Flock Producers Tuesday evening, Sheep Producers on Wednesday evening and a session on Farm Computer Software on Thursday evening.

All of the sessions except the Pork Producer's Session will be held in the Conference Room at the Lindsay Agricultural Office in Lindsay. The Pork Producer's Session will be held in its traditional location at the Rock Haven Motor Hotel in Peterborough.

The general theme for the overall conference this year will be "Managing For Profit" and speakers in each of the sessions will be emphasizing profitable management technology for that particular enterprise. The conference planning committee felt it was most appropriate to have the area Management For Profit Seminar as the lead off session for the week.

The East Central Conference is planned and coordinated by the East Central Soil & Crop Improvement Association, with the co-operation and assistance of a number of farm organizations in the East Central area. It is designed for farm families in the Counties of Durham East, Durham West, Peterborough, Victoria and Haliburton.

The detailed Conference Program will be available early in December from the agricultural offices in the Counties involved, and will be distributed to farm families with newsletters from various farm organizations during the coming month.

Farm assistance programs announced

Two programs aimed at providing assistance for viable farm enterprises experiencing short term

financial difficulties were announced by Agriculture and Food Minister, Dennis Timbrell, at the Ontario Federation of Agriculture Convention last week.

The Ontario Farm Adjustment Assistance Program has been extended and a new Operating Loan Assistance Program is being established.

The Ontario Farm Adjustment Assistance Program which began in January 1982 has three options available to eligible farmers. The interest deferral and interest reduction grant options (Options A & B) are extended through 1984 and all details will remain the same as they have been in the past year. The third option which guarantees a new line of bank credit for operating purposes, will remain in force for up to three years, but only those farmers who are currently participating in this option are eligible.

The new Operating Loan Assistance Program which comes into effect on January 1, 1985 is designed to assist farmers who need guarantees on operating credit. This program will provide this guarantee for appropriate lending institutions at no more than prime plus one percent interest.

Details of both these assistance programs are available through County Agricultural Offices.

Upcoming events

Several meetings of special interest to farmers in Victoria and Haliburton Counties are being held early in December.

Health and Safety Hearing: The Ontario Task Force on Health & Safety In Agriculture is holding a public hearing in the Conference Room at the Lindsay Agricultural Office, on Thursday, December 6, with two sessions, one at 2 p.m. and the second at 7 p.m. Representatives of organizations and concerned individuals are invited to present their opinions about the health and safety of farmers and farm workers to the Task Force.

Victoria Holstein Club: will be holding a farm tour and their annual meeting on Monday, December 10. The tour starts at 10:30 a.m. at the farm of Harold Beatty near Dunsford, proceeding to the farm of Homer Schroter and then to the Dunsford United Church for lunch and an afternoon session. The program will feature a panel discussion on cow indexing with Dr. Moe Freeman of Semex Canada (a former Assistant Agricultural Representative in Victoria County), Kevin Lang of United Breeders, and Frank Barkey from the

Holstein Association. The County Club Annual Meeting will be an important part of the afternoon program.

The Holstein Club's Annual Banquet & Dance is December 14 at the Little Britain Community Centre at 7:00 p.m. with tickets required in advance.

Victoria Soil & Crop Improvement Association: will hold their annual meeting on Thursday, December 13, in the Conference Room at the Lindsay

Agricultural Office, with registration at 9:45 a.m. The highlight of the morning program will be Soil & Crop Specialist, Neil Moore's Annual Report on test plot activities across East Central Ontario during 1984. John Heatherington of Oseco will be the Guest Speaker on the afternoon program, speaking on Soil Management & Cropping Systems. Mr. Heatherington is an outstanding speaker and has extensive experience with crop management.

Minden W.I.

The November 21 meeting of Minden Women's Institute was held at the Library-Cultural Centre with Mrs. L. Cox presiding. She read a verse, "Wisdom to Care", to open this meeting. There were 20 members present, and one guest made welcome.

After the usual reports, Mrs. W. Moore Card Convener, had sent 19 cards since the last meeting.

The F.W.I.O. questionnaire was filled in and will be sent along with requests for some booklets "Women in Rural Life" for our members.

Some members may attend the Pot Luck Luncheon at Burnt River December 3 for their Community Awareness Programme, weather permitting.

Mrs. C. Wilson, our delegate, gave a lively and interesting report on Area

Convention and stated at the end how much she enjoyed this and learning so much about W.I. work.

While the collections for Pennies for Friendship and Card Fund were being taken up, Mrs. Sears read a clipping, "If Women were running the Government".

A vote of thanks went to Mrs. M. Bunker for presenting us with a framed crest of the Minden W.I. Branch. Also we all thanked Mrs. Kernohan for her work on our recent bus trip.

The meeting adjourned and Mrs. Wilson, auctioneer, sold the gifts turned in on the roll call. A delicious snack was enjoyed by all.

Next meeting will be December 19 at United Church Hall at 2 p.m. with all ladies welcome.

Jeanne Sears P.R.O.

Rails' End Gallery Christmas sale

by Virginia Muenzel

I know everyone is busily beginning their preparations for the Christmas season. Don't forget to save some of your shopping for the Gallery's Christmas Sale, which runs from November 28 through December 22. The hours of the sale will be as follows: Tuesday 10:00 a.m. to 8:00 p.m., and on Sundays from 12:00 noon to 4:00 p.m. Volunteers are needed to assist in the sale. There will be a list of hours posted on the bulletin board at the Gallery.

Remember the Pot Luck Luncheon at the Gallery on November 19, at 12:00 noon. The luncheon is open to Guild members, as well as anyone interested in the Guild. There will be an informative discussion on future programs, as well as a video presentation of Quinte Arts Council, and Wind-song Gallery, "Wearable Arts Show". Admission is a

pot-luck donation.

"Woven Things", and "Santa's Best" are still at the Gallery until November 17. There are some beautiful things there.

Remember the Basketry Workshop on November 13 for \$20. Also there is to be a Soft Sculpture Workshop on November 15. For more information, please call the Gallery.

A march on
City Hall
shouldn't be
the only time
you get out for
a walk.

AT REST

WOLFRAM
Catrina Monica
- stillborn November 26, dear daughter of William and Jalna.

IN MEMORIAM

KENT: In loving memory of a dear son Lorne who passed away 1 year ago November 24, 1983.

As time unfolds another year
Memories keep you ever near
Silent thoughts of times together
Holds memories that will last forever
You never fail to do your best
Your heart was warm and tender
You lived your life for those you loved to remember.

Lovingly remembered by his mother Janie, brothers Calvin, Charlie and Earl, predeceased by George, Phrona and Audrey.

KENT: In loving memory of our dear brother Lorne who passed away 1 year ago November 24, 1983.

Surrounded by friends we are lonesome
In the midst of our joy we are blue
With a smile on our faces
There is a heartache
Longing dear brother for you.

Sadly missed by sisters Mary, Ellen, Minnie, predeceased by Phrona, Audrey and George.
